Colchester, VT. 05446

Dear Mr. Jean:

At the September 2009 Annual Meeting of the Vermont Truck & Bus Association, Executive Director Robert J. Sculley announced the creation of the VTBA Master Truck Driver Certification program. This program is designed to heighten the importance of safe motor vehicle operation while recognizing the achievement of the industry's safest professional drivers. This will be the second year we have made a designation.

I would like to take this opportunity to inform you that your employer has nominated you for this honor and that a committee of Vermont trucking industry representatives has reviewed the application and have approved your nomination. A presentation ceremony will be held at the VTBA annual meeting at the Basin Harbor Resort on September 10.

There will be a reception beginning at 6:00 p.m. and a dinner at 7:00 after which we will recognize your accomplishment. This invitation includes the reception and dinner for you and your wife, compliments of the VTBA.

It is an honor for me to present you with the distinguished Master Truck Driver Certification and to announce your accomplishment to Vermont Truck & Bus Association members as well as the general public. The VTBA appreciates your support and participation in this important program which allows us to share our industry's commitment to putting safety first with the public.

As you will receive a plaque and specially designed jacket, will you please call my office (802-479-1778) to tell me your jacket size so that we may have it ready in time for the ceremony. Also, please let me know how many of your family will be attending. In the meantime, I will look forward to meeting you.

Sincerely yours,

Geoffrey H. Doughty
Director of Safety & Loss Control
